

# Protea

Industry standard,  
aluminium extrusion  
based on desk modules

- Slimline and unobtrusive
- 45W Dual smart charger, USB A + C, with intelligent device recognition
- Versatile extrusion system that allows for the customisation of the number and type of power, data and USB charging options
- Connectivity options: HDMI, Cat6, USB, RCA, Audio
- Available in a vast range of approved international power specifications
- Available in black, white, silver and grey

**Voltage** 220-250 VAC

**Max. Current** 13A (Total)

**Wattage** 3000 W (Max. rated)

**Casing Construction** Aluminium Alloy

**Socket Outlets** V0/5VB rated Engineering Plastic (flame retardant and very high heat resistance and electrical resistivity)

**Power Cable Size** 1.5mm<sup>2</sup> (cross sectional area of copper strands per core)

**Current Rating** 13A

**Connectors** Input – Male 3PP/G (16A);  
Output – Female 3PP/G (16A)
