

Omega

Industry standard,
aluminium extrusion
based in desk modules

- Slimline and unobtrusive in desk fitting
- 45W Dual smart charger, USB A + C, with intelligent device recognition
- Versatile extrusion system that allows for the customisation of the number and type of power, data and USB charging options
- Connectivity options: HDMI, Cat6, USB, RCA, Audio
- Available in a vast range of approved international power specifications
- Available in black, white, silver and grey

DIMENSIONS

Length:

Depending on Configuration

Cut out Width:

55mm

Height:

50mm

Work Surface Thickness:

15mm-35mm

Voltage 220-250 VAC

Max. Current 13A (Total)

Wattage 3000 W (Max. rated)

Casing Construction Aluminium Alloy

Socket Outlets V0/5VB rated Engineering Plastic (flame retardant and very high heat resistance and electrical resistivity)

Power Cable Size 1.5mm² (cross sectional area of copper strands per core)

Current Rating 13A

Connectors Input – Male 3PP/G (16A)
