

# Malmo mini

100W intelligent on desk power

- Premium aluminium housing, great looks and amazing heat dissipation properties
- Available in a variety of colours and finishes
- Multiple IC controllers enabling faster charging while using less energy.
- Compatible with all Cobá power supplies (no more unsightly and unsafe power bricks clogging up 13A socket outlets)
- Certified Qualcomm chip to ensure compatibility and future proof design.
- Designed and assembled within the UK

## Not just a simple passthrough

We designed the electronics in house for commercial grade installations.

- Works with all USB enabled devices
- Intelligent identification technology automatically adjusts the output for safe and efficient charging.
- Overload, overheating, and short-circuit protection mechanisms ensure safe and reliable use.

<b>Product Code</b>	MAL1A2C01MIN#
<b>Input</b>	PD3.1/PD3.0 100W
<b>Output</b>	USB-C port DC 5-15V 3N20V 5A (Max)
<b>Power</b>	100W (MAX)
<b>Dimensions</b>	L:65 x W:34 x H:17mm
<b>Fixing Points</b>	Desk clamp for 12 -35mm desks
