

# Orion Pole

Easy to fit monitor arm using fiber reinforced nylon for strength and durability

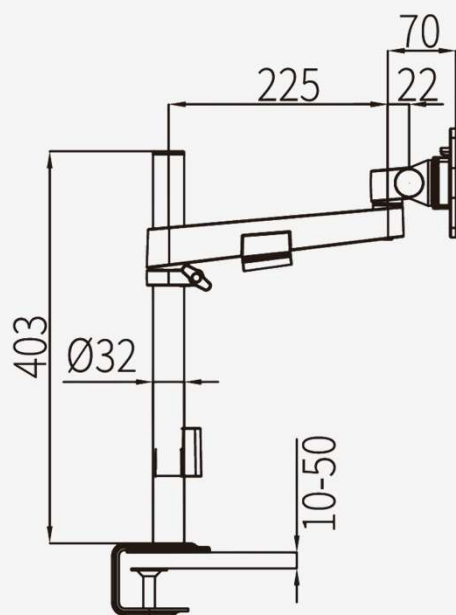

- Simple and unobtrusive
- Also available as a dual arm
- Fibre reinforced high grade nylon
- Built in cable management

ORICM1000B

ORICM1000W

Reinforced Nylon

Segmented Cable Management

Quick Release Vesa

Universal Column Design

 Monitor size	≤30"	 pitch angle	-60°~+85°
 Bearing range	≤8kg	 Lifting height	400mm
 Rotation angle	±90°	 VESA	75×75 100×100
 Bearing range	±90°	 Lifting height	10-50mm
