

Orion

Industry standard,
aluminium extrusion
based on desk modules

- Slimline and unobtrusive
- 45W Dual smart charger, USB A + C, with intelligent device recognition
- Versatile extrusion system that allows for the customisation of the number and type of power, data and USB charging options
- Connectivity options: HDMI, Cat6, USB, RCA, Audio
- Available in a vast range of approved international power specifications
- Available in black, white, silver and grey

DIMENSIONS

Length:

Depending on Configuration

Width:

52mm

Height:

42mm

Work Surface Thickness:

15mm-35mm (Approx. 3/5"-12/5")

Voltage 220-250 VAC**Max. Current** 13A (Total)**Wattage** 3000 W (Max. rated)**Casing Construction** Aluminium Alloy**Socket Outlets** V0/5VB rated Engineering Plastic (flame retardant and very high heat resistance and electrical resistivity)**Power Cable Size** 1.5mm² (cross sectional area of copper strands per core)**Current Rating** 13A**Connectors** Input – Male 3PP/G (16A);

Output – Female 3PP/G (16A)
