

Malmö

The simple all in one solution with 65W USB-C charging as standard

MAL2C00WW

MAL2C00BB

- 65W GaN USB charging as standard
- Tool activated reset, full compliance with BS6396
- Quick Charge technology allows for fast charging of laptops, tablets and mobile phones, by dynamically adjusting voltage levels to optimise charging speed
- Available in black or white

Short Circuit Protection

Over Charge Protection

Excess Heat Protection

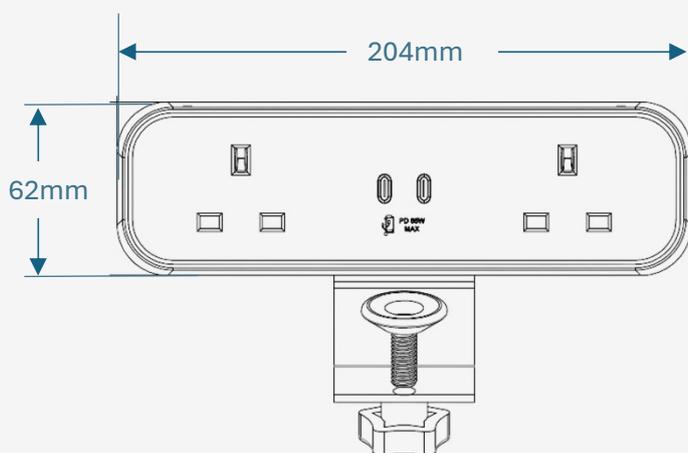

Over Discharge Protection

Intelligent Power Allocation

Qualcomm QC 5 PD 3.1

Voltage

220-250 VAC

Max. Current

13A (Total)

Wattage

3000 W (Max. rated)

USB Output

DC 5-15V 3A, 20V 5A (Max)

Power Cable Size

1.5mm²

Current Rating

13A

Connector

Male 3PP/G (16A)

Desk Thickness

5mm to 35mm
